Train Your Crew – Protect Your Company
This is the opportunity to ensure the safety of your team with MRCA's Hot Air Welding Safety Training. This essential program bridges the gap between basic awareness and the advanced knowledge needed to operate Hot Air Welding Equipment. Learn more by visiting www.mrca.org/hawt

After this training session, go across the street for the ORCA Regional Meeting at Topgolf. Enjoy complimentary food, beverage, and golf games while networking with fellow roofers.
